# LESSON INFORMATION

**Dear Parents and Students,**

The Music Lab extends a warm welcome to all new students. We are looking forward to an exciting year.

To serve you better, The Music Lab invites you to purchase any musical merchandise from our store front where we can address all of your musical needs.

The Music Lab employs highly qualified teachers to provide instructions to our students. Our teachers come from extensive musical backgrounds having studied, performed and have taught at various levels.

- Tuition fees must be paid on time.

We will accept payments by Credit Cards (VISA and MasterCard), Debit and Cash. **PERSONAL CHEQUES** will **NOT** be accepted.

We strongly encourage everyone participate in our **Savings Payment Program**. When you sign-up for the Savings Payment Program you receive a discount off the regular price.

Payment method is **ONLY** available in September and January (**For more information – See Price for Music Lessons**).

- Please carefully read the attached “**Rules and Regulations**” handout and pay special attention to the **Cancellation Policy**.

- It is everybody’s best interest to have all missed lessons made-up. Please keep in mind the importance of re-scheduling a lesson when phoning to cancel. Each time you miss a lesson, we all lose, the studio, the teacher and especially the student. Regular weekly lessons are essential to reach all musical goals.

**REMINDER:** Please keep in mind that all **Make Up Lessons (MUL)** must be completed while the student is still enrolled at The Music Lab. **MUL cannot be used as credits for regular lessons or for lessons during the next school year.**

- When calling The Music Lab to reschedule your lesson, always give your contact information so we can assure your scheduled lessons is removed accordingly.
- Please, help us keep our studios and waiting areas clean and tidy. Anyone found vandalizing the studio in any way will face serious consequences and will be responsible for the cost of repairs for the damage caused.
- We would appreciate your co-operation in attending to your smaller children while waiting for a lesson to finish. It can be very distracting for both the student and teacher to hear loud talking, laughing, running around the store etc. Please try to remain quiet.
- We encourage you to have a look throughout our store at some of the products that may interest you. Registered students will receive 20% off on all merchandises and 10% off on all musical instruments.

Thank you for taking the time to read this letter. We hope you found it informative and useful. Your co-operation is appreciated.

Yours in the interest in music,

Egidio (Gino) Nobili  
President/Owner
