REPRESENTATIVE:

MASTER REPAIR TECHNICIAN

GINO NOBILI – PRESIDENT & FOUNDER

The Music Lab Ltd has been a prominent leader in the music industry for over 36 years. During that time, Master Technician and Owner, Gino Nobili has been instrumental in developing numerous products for the music industry and has been a key fixture in the musical instrument repair business. Mr. Nobili is regarded by many as the master repair technician. Mr. Nobili has also been an independent consultant for several universities across the world in countries such as Britain, Canada, China, Cuba, Norway, Germany and the United States covering many technical aspects and concepts for the Musical industry.

The Music Lab Ltd. prides itself on providing our customers with superior service and quality workmanship. We currently have a large repair service program in place with many school boards located in Ontario. Our customers also include many high profile and prominent musicians in the music industry. The Music Lab has not only been a leader in the instrument repair industry, but also offers an extensive sales and rentals program.

Established in 1973 in Toronto, Ontario, Canada, The Music Lab Ltd. has been the choice of professionals ever since.
